Member Status

Points earned by a member and their enrolled dependents translate into a Status level. There are five Go365 Status levels: Blue, Bronze, Silver, Gold and Platinum.

Recommended Activities

Unique health objectives are determined based on the member's needs identified in their Health Assessment and other profile information.

Health Assessment

Brief questionnaire identifies a member's baseline health and determines personalized goals based on where they are in their wellness journey.

Point System

Education, Prevention, Healthy Living, and Fitness activities allow members to earn Points that can later be redeemed for rewards in the Go365 Mall.

Portal Features

The Dashboard, Activities, Challenges and the Go365 Mall are accessible on smartphones, tablets and desktops.

Activities

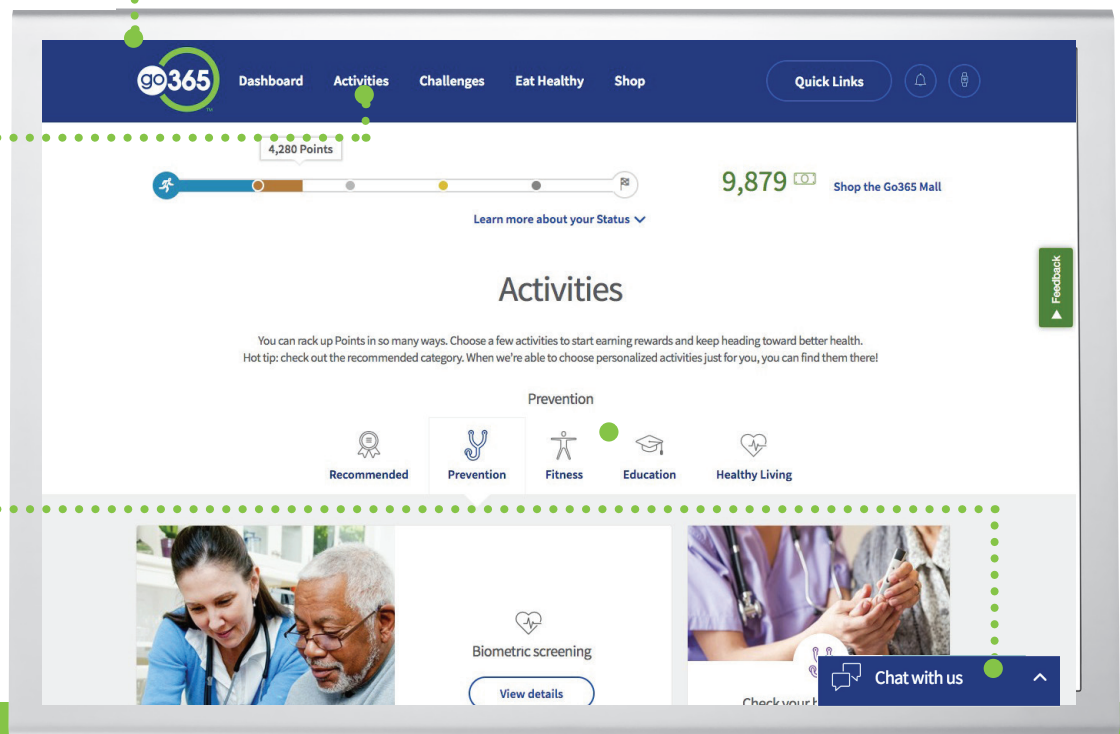

Point-eligible activities can be filtered by category (e.g., Recommended, Prevention, Fitness, Education and Healthy Living).

Online Chat

A click-to-chat feature is available for members to speak with a Go365 representative.

Go365 is not an insurance product. Not available with all Humana health plans.
